The NDIS and this Service Agreement

Ability Dance, Para Dance and Senior Exercise Classes run by Ballroom Fit.

The Parties agree that this Service Agreement is made in the context of the NDIS, which is a scheme that aims to:

- support the independence and social and economic participation of people with a disability; and
- enable people with a disability to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports.

The supports described in this Service Agreement are reasonable and necessary supports specified in the statement of supports in the Participant's NDIA current plan (under section 37 of the National Disability Insurance Scheme Act 2013) Ballroom Fit will adhere to the National Disability standards.

- The Participant's NDIA plan is expected to remain in effect during the period the supports are provided; and
- The Participant will immediately notify the Provider if the Participant's NDIA Plan is replaced by a new plan or the Participant stops being a participant in the NDIA.

Changes to this Service Agreement

If changes to the supports or their delivery are required, the Parties agree to discuss and review this Service Agreement. The Parties agree that any changes to this Service Agreement will be in writing, signed, and dated by both Parties.

Ending this Service Agreement

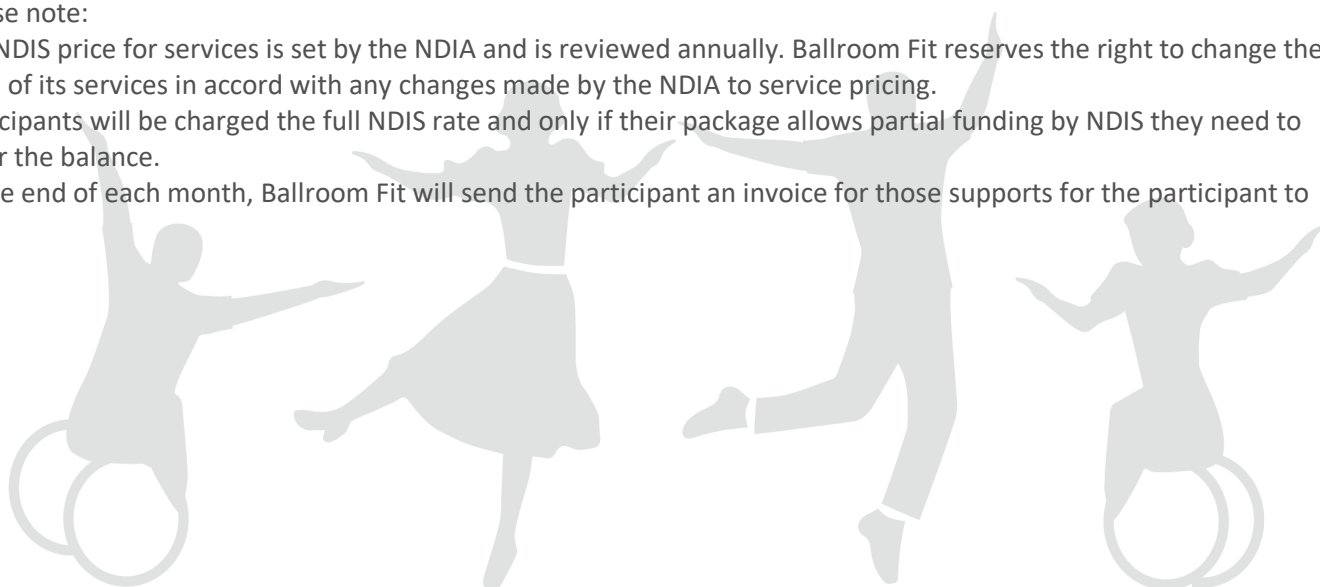

Should either Party wish to end this Service Agreement they must give one month's notice, in writing with an email to info@ballroomfit.com.au. If either Party seriously breaches this Service Agreement the requirement of notice will be waived.

Please note:

The NDIS price for services is set by the NDIA and is reviewed annually. Ballroom Fit reserves the right to change the price of its services in accord with any changes made by the NDIA to service pricing.

Participants will be charged the full NDIS rate and only if their package allows partial funding by NDIS they need to cover the balance.

At the end of each month, Ballroom Fit will send the participant an invoice for those supports for the participant to pay.
